We created a menu with something for everyone! We make everything we can in house including our meatless meatballs, sauces, bread, and our own soups and stocks. We believe fresh is best! Look for the  symbol on our menu on items or sections that contain all vegan choices! Many of the items in these sections were always plant-based at Umberto's, so we are using the same great Umberto's recipes you know and love. We are trying to do better at communicating this information to all of our valued customers!
